A Look at Loved Ones In The Gulf

Dedication

The Class of 1991 dedicates this year's yearbook to HILDA BROWN. Hilda has been a valuable employee of SAD #44 for the past 35 years. She began full-time as a cook at Crescent Park Elementary School in September, 1957. In September of 1959, Hilda began managing the kitchens of the two Bethel elementary schools, Ethel Bisbee and Crescent Park, and in September, 1968 she was appointed the Food Service Supervisor for SAD #44.

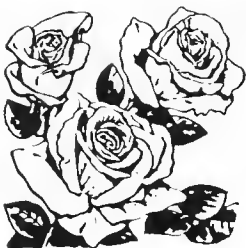

We realize that no one will ever quite be able to take Hilda's place. Her smile and English wit will be "BLOODY WELL" missed.

Hilda, you've done a great job and you'll always be in our hearts. THANK YOU!

TO THE CLASS OF 1991

As you go through reading the pages of this yearbook you are readying yourself for a change. For the past thirteen years you have spent your life in school following the directions others have given. You are about to enter a new era in your life.

Many of you are eager for the freedom graduation

will give you, others are not so sure about life after graduation. No matter what your feelings are, a change is evident. You will need to draw upon all of the knowledge you have acquired during your last thirteen years as you step into a very complicated but exciting life in the world of the 1990's.

Each of you hold special skills to meet the challenges of the new world. You must remember that each problem has a solution, your skills are the key to these solutions.

I wish each of the members of the Class of 1991 the very best for the future.

Dewaine B. Craig

To the class of 1991, you have just completed four years of preparation towards your life's goals. It is my hope that you do not look at graduation as the final achievement, but rather as the beginning of more to come. As always, some of the classes have to work harder than others to achieve their goals.

An inscription in Hopkins Memorial Steps at Williams College, Williamstown, Massachusetts (author unknown) reads as follows:

Climb high
Climb far
Your goal the sky
Your aim the stars

As you set and achieve future goals, may you also put your best efforts into them so that you will be proud and want to preserve them as you would a fortune. My best wishes to you.

Theodore R. Davis
Principal

Congratulations to the Class of 1991. You made us proud with your MEA scores. You will be leaving the classes behind you with a model of accomplishment that has set a high standard and a challenge worthy of emulation.

Please remember as you pursue your goals for life that your ability is what you are capable of doing; your attitude will determine how well you perform in the game of life. If you follow three basic rules, you will succeed.

- 1) Do what is right.
- 2) Do your best.
- 3) Treat others as you

would like to be treated.

If you can answer "yes" to these three questions you will find life rich and fulfilling.

- 1) Can I be trusted?
- 2) Am I committed?
- 3) Do I care?

The kind of life you have and the

goals you set will be determined by you. You have been given some basic tools to work with here at Telstar. Now you must take those experiences from 12 years of education and use them as you face the many challenges ahead.

I want to leave you with one final thought, a quote from Winston Churchill.

"Success is never final and failure is never fatal."

"It is courage that counts."

Best Wishes

Carroll Higgins
Assistant Principal
Athletic Director

Class of 1991

As you complete your high school career, do reflect seriously on your past four years. I am proud of your accomplishments in the classroom and among the SAD #44 community and throughout the state. You made numerous positive impressions with your participation in athletics, peer helper programs, Drama, Band, Outward Bound, Career Week, the Maine Educational Assessment and more. Thus, your class had many experiences and opportunities at Telstar to mold your future endeavors. Yet, it is just the beginning . . .

Many of you will continue to strive in

furthering your education — be it within the military branches, "on the job training" experiences, within the private/public sector, vocational technical colleges or various universities, in or out

of state. Your education will not end then, as it should continue to grow as you grow older. You will discover that continuing your education will be a necessity in our changing world. The environment, technological advancements and economics will cause you to assess your personal, scholastic and career goals.

You were individuals when you came to Telstar H.S. and you will still be individuals after graduation. Therefore, strive to keep an open mind, take risks, accept change, set goals, be confident and possess a

positive attitude.

Wishing you the best in your future endeavors,

Daniel O. Hart

People are unreasonable, illogical and self-centered. Love them anyway. If you do good, people will accuse you of selfish, ulterior motives. Do good anyway. If you are successful you win false friends and true enemies. Succeed anyway. The good you do today will be forgotten tomorrow. Do good anyway. Honesty and frankness make you vulnerable. Be honest and frank anyway. People favor underdogs but follow only top dogs. Fight for some underdogs anyway. What you spend years building may be destroyed overnight. Build anyway. People really need help but may attack you if you help them. Help people anyway. Give the world the best you've got anyway.

He has contributed many things to the Telstar atmosphere by joining the Boston/Telstar Exchange Program, Self Group, Drama, X-Country Running, both Ski Teams, and FBLA. Giannina Vitola-Ferriz

We have all come to know and love Gianni, who has arrived from the far-off land of Uruguay. The Gillies have graciously opened their home and lives to her during her stay in America. While here, Gianni proved to be a great asset to our senior class by participating in the Boston/Telstar Exchange Program, Peer Tutoring, Drama, NHS, FBLA, Yearbook, and both Mr. Hart's and Mr. Abbott's Self Groups. She has made us laugh and cry and will continue to do so long after she has gone back home. She became a welcome addition to the Class of '91! Gianni can be written to at:

Pedro Diaz Martin

Pedro came over from Madrid, the capital of Spain, right before school started. Soon he joined the soccer team. He liked sports very much. We all remember his 40 feet shot which helped our team to win.

Then, in winter, he joined the Downhill Skiing Team. "Skiing here is much fun," he said, "but different than in Spain." Snowboarding was the new thing for him. He did it every weekend.

In school, he got involved with the Boston-Telstar Exchange. We all got to know him as a funny, but also a sensitive guy. We will remember him forever.

These three teachers sacrificed their hair for the sophomore Outward Bound Program. They got their new do's done by Holly Roberts, a former Telstar student, who enjoyed cutting the teachers hair as much as the students enjoyed watching her do it.

TEACHER. This is a vast word which covers several meanings: Education, wisdom, friendship, pedagogy, comprehension, experience, dedication. The teacher has vast knowledge to give us. The special teacher not only has the knowledge, but also is able to communicate it.

I think teachers are important people in any society; they worry about children's education. I believe education is the most important element in every human being. An educated person is able to protect himself, defend himself, and grow freely. Indeed, education is the greatest wealth we own, and much of this wealth comes from our **TEACHERS.**

WORKING TOGETHER!

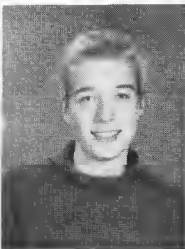

This year the Sophomore Class of 1993 expects to get a lot done. Hopefully by the end of the year we will have made more money than we did last year. To start the year out we're having a Halloween Dance and Open Gym. Around Christmas time we plan to sell either cookies or candy to all of the area towns. The Officers hope to get the whole class involved with it. Class dues should help us a lot. Also this year we all hope to get a better class participation record. Overall the officers and class hope to make at least \$600.00 total this year.

Looking to Tomorrow

We see our goal as a class to put as much time and effort into raising the necessary amount of money needed to have the best graduation we can possibly achieve. We know it will take a lot of energy to do this, but with the whole class helping we should be able to accomplish this goal.

ORGANIZATIONS

SELF GROUP

Third Row: Gena Morgan, Michael Clark-Pelletier, Tim Chapman, Michelle Inman, Erica Such, Keith Ryerson, Heidi Moore, Gianni Vitola, Yolana Rotford, Kim York, Jenn Gould, Tammy Huston, Rafael Gisin, Dwayne Self. Second Row: George Waterman, Binky Gauthier, Brandy Russo, Kem Kessler, Ginni Chartrand, Kris Delano, Monique Brooks. First Row: Mike Conkright, Denise Coolidge, Cathy McCarthy, Jessica Mercier, James Billings.

Self group consists of a group of students getting together one period a week and discussing such topics as, relationships, colleges, careers, stress management and exchanges with other kids from Boston and other schools. The groups have been together anywhere from a couple of months to three years. The major idea of the group is confidentiality. Group members share certain things that are kept within the walls of the conference room, but it is totally up to the member if they choose to share or not. For most people this activity is very rewarding and helpful.

NATIONAL HONOR SOCIETY

Second Row: Nate Buckman, Dawn Davis, Kristen Powell, Kris Delano, Shilo Hutchins, Solai Buchanan, Gena Morgan. First Row: Meri Howe, Jessica Fogg, Becky Hanscom, Kelly Hayes, Amy Hannon.

N.H.S.

The National Honor Society is an organization made up of students chosen for their outstanding scholarship, leadership, character, and service, and who have maintained a grade-point average of 85 or better through high school.

BAND

Third Row: David Barnes, Dwayne Self, George Waterman, Matt Bean, Brian Davis, Jenn Felt, Chris Hoyt. Second Row: David Smith, Aaron Currier, Billy-Jo Robinson, Casey Swan, Meri Howe, Kim York. First Row: Dani Bernier, Jenni Cooley, Penny Robinson, Michelle Conkright, Sara Wight.

The band began the year off on a good note. Despite the fact that less than half of the band was registered, they met regularly for two hours on Wednesday evenings and incorporated the talents of several middle school players. Plans for the year included playing at faculty meetings, sending many students to Mt. Valley Music Festival, All-New England Band Festival and All-State Music Festival.

The Tri-M music honor society had a busy and productive year. The group sponsored the distribution of community donated recipes in original cookbooks.

The marching band had a number of parades scheduled after last spring's success in Lexington, Massachusetts. The first parade in Freeport brought home a third place trophy for the band and several others were scheduled throughout the course of the year, including Memorial Day, Maine State Parade and the Patriots Day Parade in Lexington.

T.A.C.T.

Second Row: David Hanscom, George Bethel, Lawrence Grover, Matthew Bean. First Row: Hannah Kimball, Diane Brennan, Dani Gordon, Denise Coolidge, Heidi Hinkley.

T.A.C.T. (Teen Aspirations Committee at Telstar). This group started out as four students and a faculty adviser who attended the teen leadership summit at the University at Orono during the summer.

Since September, our group has grown to ten students who work together to improve our school environment. We have three goals for the 1990-91 school year: 1.) to get people psyched for school by running a trivia contest in the morning with pizza as the prize, 2.) to run a no-smoking-in-the-bathroom campaign by selling T-shirts, and 3.) to organize a workshop day for students to explore their talents and future plans. Members of the group will meet back at Orono for a follow-up conference in May to discuss our progress and possibly to win scholarships.

DRAMA

The 1990-91 drama club under the direction of Mr. Tomrose has had many fun filled times. We have learned the, sometimes tough, task of becoming a team. We will remember the time and hard work we put into our major performance "Our Town." This play was done in recognition to the well known and loved Helen C. Berry. Our goal for this school year was to "make it to the state championships and for the students to not only learn to make everything we do a complete team effort."

Mr. Tomrose

We hope that the upcoming school year will bring in more interest and lead to a successful school year of drama fun. Thanks to all this year's drama students.

What is "Rebel Rousers?"

A relatively new club (but not a new idea), the Rebel Rousers are mostly concerned with promoting school spirit and making Telstar the best place it can be.

This is our second year and we anticipate changes in our club and our activities. If you want to join us, we welcome your help, ideas, and energies!

Thank you,
Advisors Sherri Higgins
and Jewel Clark

The Freshman Awareness Committee at Telstar, F.A.C.T., which is made up of three groups including group leaders, activities, and public relations combined their efforts to make the 8th annual two day workshop which was held at the Locke Mills Legion Hall a success.

The focus of the F.A.C.T. workshop is to prepare the freshmen for their high school years and to make them aware of the pressures and decisions that they may face as well as giving them first hand information on careers and ways to get involved in their classes and extracurricular activities.

A follow-up workshop is in the making to be held in February. Once again, many thanks to the F.A.C.T. groups, guest speakers, others who contributed and of course, Mr. Hart and Mrs. LaVallee for making the 1990-91 F.A.C.T. workshop a success!

Back Row: Billy-Jo Robinson, Katie Hutchins, Jolana Rotford, Michelle Inman, Erica Such, Haley Blake, Willis Cross, Casey Swan. Front Row: Ginnie Chartrand, Jennie Cooley, Becky Hanscom, Jessica Fogg, Solai Buchanan.

R.O.T.A. (Reaching Out for Teen Awareness) is a student organization whose purpose is to help teens find ways to deal with various issues, such as substance abuse, peer pressure, family life, self-esteem, and problems with school or friends. The group performs skits in which one of these situations is presented, and does not resolve the problem in the skit, for the audience's job is to suggest ways in which the characters can resolve the problem. There is a great deal of interaction between the characters and the audience, which helps all the teens involved learn how to think of more than one solution to a problem. Students do not have to have any drama experience to participate, just a willingness to learn more about themselves.

N.T.L.

Third Row: Bridget Remington, Misty Hutchins, Maelynn Patten, Matt Bean, Amy Hannon, Scott Higgins, Katie Hutchins, Solai Buchanan. Second Row: Shilo Hutchins, Heather Roberts, Dianne Russel, Becky Hanscom. First Row: Matt O'Meara, Kris Delano, Kristen Powell.

On Labor Day weekend of this year, approximately twenty student leaders and Telstar faculty attended a workshop at Gould Academy and N.T.L. Along with Gould Academy student leaders and faculty, we worked toward a common goal of achieving friendship and learning new leadership skills. This was the third year of the successful workshop and hopefully it will become a permanent aspect in the future of both school's leaders.

YEARBOOK STAFF

Back Row: Jenn Felt, Gena Morgan, Heidi Moore, Cathy McCarthy. Front Row: Meri Howe, Heidi Hinkley, Deena Dube, Staci Bean.

Yearbook is a special organization in charge of creating the book that summarizes Telstar for the year 1990-1991.

This activity involves many things: commitment of time and effort, imagination, discussions, sharing ideas, having positive influences, but above all it is fun! It is actually a lot of fun, although it is hard and an exhausting job at times.

YEARBOOK EDITORS

Standing: Heidi Moore, Gena Morgan. Sitting: Jenn Felt, Cathy McCarthy.

As yearbook editors we are in charge of coordinating the overall yearbook production. We organize the layout of the yearbook and are in charge of getting senior pictures, baby pictures, and write-ups. We also "try" to meet all deadlines. All this would be impossible without the help of Linda Smith, our trustworthy advisor and the rest of the yearbook staff.

BAND AUXILIARIES

Third Row: James Billings, David Smith, Lisa Thurston, Staci Bean, Mary Hughes, Nicole Hill, Darlene Wells, Toby Leighton. Second Row: Tami Brackett, Jen Bowie, Patty Hand, Tammy Rice, Rosalie Buck, Venus Hill, Jessica Koskela. First Row: Tracy Hart, Teresa Curtis, Deena Dube, Michele Patten, Michele Roshto, Brenda Hart.

The Band and Auxiliary have marched in Freeport in the Fireman's Parade, and came home with two trophies. We have also marched at the Fryberg Fair Parade, the Veterans Day Parade, the Christmas Parade in Norway, the Lexington Parade, our annual Memorial Day Parade, and the Lexington Parade. We are holding our annual Holy Fair, and our Bowl-A-Thon, in hope of raising enough money for new uniforms.

F.B.L.A.

Back Row: Mrs. Munn, Staci Bean, Christina Haines, Monique Brooks, Greg Corrin, Gianni Vitola, Rafael Gisin, Miss Lord. First Row: Michelle Roshto, Bobby Jo Benson, Kim York, Ginnie Chartrand, Kem Kessler. Back Row: Gena Morgan, Melinda Tuttle, Michelle Roshto, Mike Conkright, Chris Hoyt. First Row: Jenn Felt, Cathy McCarthy, Brenda Hart, Lisa Thurston. Back Row: Heidi Moore, Jen Adams, George

In our weekly meetings during Activity Period we try to put into practice what we learned in Business classes. We are connected with the nationwide F.B.L.A. organization.

What does F.B.L.A. mean? We represent the *Future Business Leaders of America*. Our main goal is to attend an annual F.B.L.A. conference in Augusta, so we put all our creativity into fund-raising.

TEACHERS AIDES

Second Row: Gena Morgan, Melinda Tuttle, Michele Roshto, Mike Conkright, Chris Hoyt. First Row: Jenn Felt, Cathy McCarthy, Brenda Hart, Lisa Thurston.

Teacher Aides don't belong to a very well-known organization. However, it is a very important one. We help the teachers run errands, correct papers and do other odd jobs that may be time consuming but nevertheless need to be done. We want to thank all our teacher advisers for putting up with us and being there to help us, but most of all, for being our friends.

G.I.S.

Second Row: Heidi Moore, Jen Adams, George Bethel, Fred Burk, Matt Bean, Scott Higgins, Patrick Harrington. First Row: Troy Wing, Derek Brennan, Danielle Bemier, Kim York, Michelle Inman.

The Guidance Information System Aides assist the other students in college, career, military, and financial aid information searches on the computer in the library. The group also can run searches for community members or for students unable to come down.

We have been working hard to raise money to pay for the computer system we obtained last year. We had bake sales and also sold food at the soccer championships.

CLASS OFFICERS

Third Row: Kris Delano, Kristen Powell, Jenn Gould, Nate Buckman. Second Row: Stacy House, Suzanne Richardson, Doug Bennett, Bridget Remington, Dawn Davis, Amy Hannon, Solai Buchanan. First Row: Cheri Meyers, Misty Hutchins, Sarah Brooks.

Class Officers raise money for their classes by having fund-raisers. They help to plan graduation and project graduation, and also help on prom committee their junior year.

STUDENT COUNCIL

Second Row: Mrs. Higgins, Ryan Wheeler, Heather Roberts, Gena Morgan, Noelle Gauthier, Mae Lynn Patten, Dawn Elliot, Robin Michaud. First Row: Diane Russel, Stacy Edwards, Penny Taylor, Shilo Hutchins, Amy Bennett.

The Student Council is responsible for conducting many different activities throughout the school year. Several weeks within the year are sponsored by the Student Council: Spirit Week, National Education Week and Winter Carnival in February. At various times during the year the Council also puts on dances and pep rallies.

However, Student Council does more than just sponsor social events. Another role is for the Council to act as liaison between the administration and the student body by attending School Board meetings each month.

At the end of each school year four students from the freshman, sophomore and junior classes are elected by their peers to represent their class the following year. The Juniors are automatically reinstated for their senior year and a fifth member of their class is also elected. This ensures that anyone who would like to join has an opportunity to become a member.

ANNOUNCERS

Brandon Moore, Jenn Felt.

"Good Morning, Telstar!"

Well, you've listened to us fill you in on our activities, lunch and other announcements all year long.

Yes, we've messed up a few times (*quite* a few times), but we appreciate the fact that you've been patient with us.

Once again, thanks for letting us in on the beginning and end of your day!

Class of '91 Announcers,
Jenn Felt
Brandon Moore

S.A.D.D.

Second Row: George Waterman, Christina Haines, Howie Roberts, Terry St. John, Melissa Hutchins. First Row: Michelle Inman, Sara Mitchell, Jennifer Leonard, Stephanie Corriveau.

Telstar's S.A.D.D. is the local chapter of the national organization called Students Against Drunk Driving. We sponsor assemblies to increase student awareness of problems relating to the use of chemicals and to their effects on traffic accidents, injuries and deaths. We try to learn about these topics ourselves and then share the information with others, both in school and in the larger community.

LIBRARY CLUB

Standing: Dana Self, Lisa Thurston, Miss Boyce (advisor). Seated: Melissa Howe, Tammy Rice, Mary Hughes, Kathy Cronin.

As members of the high school Library Club, we assist in signing books out, putting cards back in returned books, mending books, putting pockets on, date slips and cards in new books. We also make certain books are in the correct order on shelves and run errands. Holly Fair and chances on an Easter Basket are ways we earn money for \$100.00 gift certificate awarded to a graduating senior who has been an active member of the Library Club.

OSLC

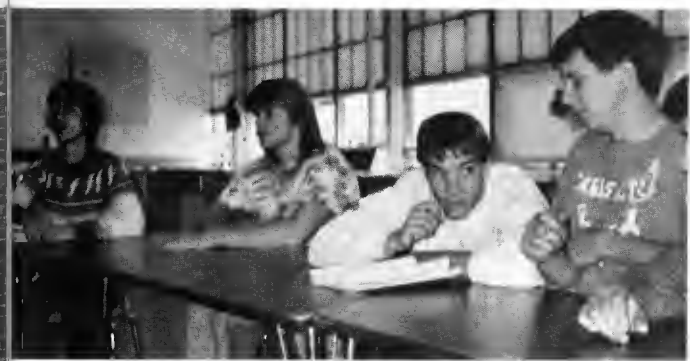

PER. 1: Matt Bean, Tami Brackett, Diane Brennan, Jody Brooks, Tim Chapman, Mike Clark-Pelletier, Michelle Conkright, Rafael Gisin, Brandy Russo, Keith Ryerson, Ryan Stowell.

PER. 5: Jeff Bailey, Bryan Bennett, Miah Bolen, Nancy Carter, Merle Evans, Gary Goodrich, Dani Gordon, Bob Hand, Becky Hunt, Randy Kangas, Bruce Korhonen, Amy Laban, Althea Stevens.

The Outdoor Skills Leadership Challenge Course is a unique opportunity for those who choose to enroll. Based on an adventure curriculum, OSLC offers students a leadership orientation and group challenges in the fall along with map and compass exposure. Students participate in a high ropes and rock climbing experience and spend 3 days at the Chewonki Foundation doing a map and compass program.

In the winter, each student can obtain an Advanced First Aid certificate. The course finished with a white water canoe course and 3-day trip

At times, the students didn't realize what they were in for, yet everyone is willing to try and help each other. What would you do if somebody said to "jump" and you were 35 ft. in the air? Everyone jumps. Do they get hurt? You'll have to see for yourself. Join next year!

Field Hockey

Field Hockey started in the middle of August while most of the student body was enjoying the last of the summer vacation. Thirty-three girls chose to play this year. There was a great turn out of freshmen for the junior varsity level, and many experienced players ready to set goals to strive for as a team. TEAM and WORK were stressed: TEAMWORK!!!

The field hockey team captured two titles this year; Mountain Valley Champs, and Western Maine Champions. The state Championship game was lost to Orono, 1-0. The coaches, Sally Hannon and Gail Wight, are VERY proud of the team accomplishments. The varsity team was lead by senior captains, Kris Delano, and Jenn Gould. Other seniors playing were Nancy Carter, Lynn Buckingham, Amy Laban, Becky Hunt. Junior starters were Jen Bailey, Crystal Chase, Amy Hannon, Shilo Hutchins, and Robin Michaud. Sophomores Danielle Bernier, Binky Gauthier, and Suzanne Richardson kept the backfield alive, while Cheri Myers was the lone Freshman to play varsity consistently.

The varsity posted a 14-2-2 record, set some individual scoring records, and had all star representatives from the Mountain Valley Conference (Kris Delano, Jenn Gould, Jen Bailey, and Amy Hannon), and the states (Kris Delano and Jen Bailey).

The junior varsity players benefitted immensely from continual practice with the more experienced players. They improved their defense and learned that passing and dodging are two skills that everyone on the team needs.

Telstar Soccer 1990 Season

After a season of rebuilding in 1989, the Telstar soccer team was ready for a winning season. Backed with great defense and good offense, with half the games played, Telstar was ranked first in Western Maine Class C with a 6-1-2 record. The second half of the season only produced two more wins, though. In the playoffs Telstar lost to Dirigo 2 to 1 in extreme field conditions. Telstar soccer ended with a winning record of 8-4-3. This was third in the MVC's.

This 1990 squad was a defensive one. Most of the season the defense was outstanding, allowing only 18 goals all season. The defenders were led by Greg Corrin, second team MVC All Star, Jeremiah Bolen, Scott Higgins, and Nate Emery. First year goalie Tim Chapman put in a great performance missing the second team MVC All Stars by one vote. Tim had 88 saves on the season. The offense was led by captains Nate Buckman (10 goals, first team MVC All Star), Bruce Korhonen (10 goals, first team MVC All Star), and Scott Emery (5 goals, second team MVC All Star). Also Nate Emery had three goals, and Pedro Martin chipped his one goal in, a game winner in overtime to beat Mountain Valley respectively. The team altogether produced 29 goals during the season. Two players, Nate Buckman and Bruce Korhonen, made the Western Maine All State Team for their performances this season.

With the loss of nine seniors, the 1991 team faces some challenges in the MVC Conference. The defense should do well under the leadership of Captain Scott Higgins.

Cross Country

The boy's were 0-7 for the season. Many of them were rookies and picked up valuable experience which will help next year. Rafael Gisin and Ryan Bernier will be missed.

The girl's finished 4-3 and placed 4th in the MVC's. Solai Buchanan and Kelly were named to the MVC All-Star teams and also qualified the state meet where they placed 17th and 47th respectively. Kelly Hayes and Angie Applin will be difficult to replace next year.

Boys Basketball — 1990 . . .

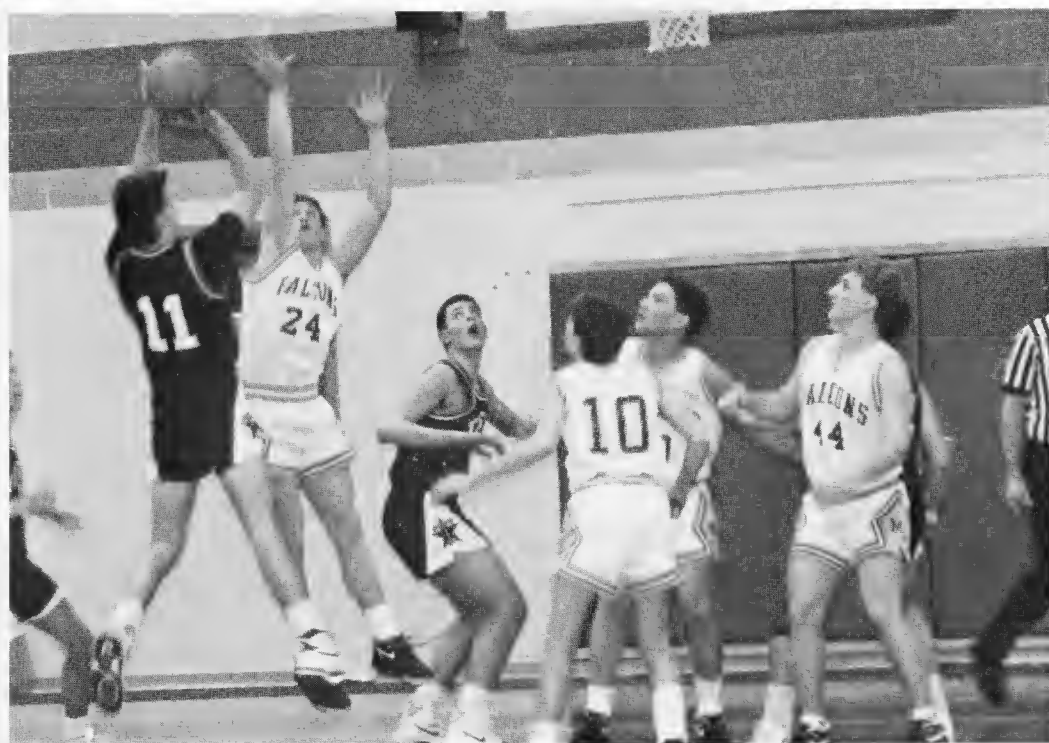

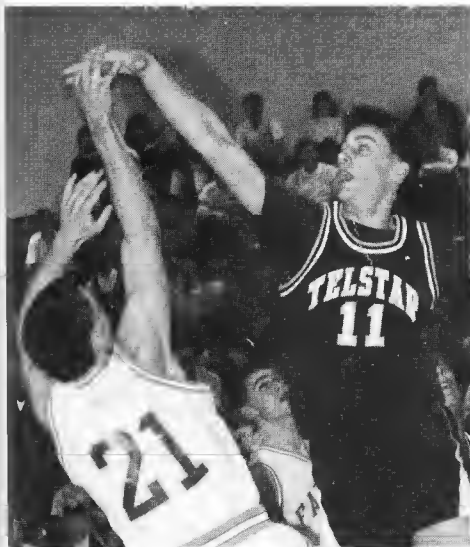

Front Row, L to R: Nate Buckman, Mike Clark-Pelletier, Tim Chapman.
Back Row, L to R: Managers Kris Delano and Mande Henricks, Victor Hart, Troy Wing, George Bethel, Tony MacKillop, Scott Higgins, Randy Kangas, David Barnes, Josh Otten, Zach Chamberlain, Coach Carroll Higgins.

The 1990-91 edition of the Telstar Rebels are proving to be an interesting team to watch. This must be true because the fans continue to come and support us despite the disappointing first half of the season (4-6 on Jan. 11). Sparked by our outstanding four year veteran guard and co-captain Michael Clark-Pelletier, the consistently great performances turned in by senior star forward Tim Chapman, the speedy and courageous playmaking of wily senior Nate Buckman, the increasingly effective and dominating big man junior Tony MacKillop and the increasingly intensive play of junior co-captain forward Scott Higgins, we have posted respectable statistics, despite the current record. This team participating in the first annual invitational Applegrower's Classic hosted by Buckfield, defeating Richmond on Nov. 23, 50-41 and St. Dom's on the 24th 71-47. During the Christmas break the Rebels traveled to New Hampshire and played Grinch at Gorham High School by defeating the host Huskies Dec. 28, 65-61 and denying Laconia Christian on Dec. 29, 59-47. Michael and Tim won individual honors in both tournaments and were joined by Nate at Gorham.

The starting five rely greatly on the skills of junior utility man Victor Hart, guard Troy Wing and center George Bethel. The team also includes junior Randy Kangas, sophomore David Barnes, and a couple of potential freshmen, Joshua Otten and Zack Chamberlin.

The second half of the year will prove interesting as there were many close games in the first half of the season. The team has shown steady improvement as the season progresses in its quest for a tournament berth.

Front Row, L to R: Solai Buchanan, Jen Bean, Jenni Bailey, Dawn Davis, Diane Russell.

Back Row, L to R: Dawn Seames, Cheri Myers, Sharon Kangas, Angie Mills, Danielle Bemier, Michele Roshto, Melissa Howe, Coach Barbara Dunham.

This year's girls basketball team showed steady improvement throughout the season. The girls posted a 2-16 Varsity record. We will lose only one senior from this year's team . . . Michele Roshto.

Junior, Jenni Bailey set the girls' single season scoring record by amassing 399 points for a 22 per game average.

We are very excited about next season. We should have one of our strongest teams ever!! Next year's team will be looking for leadership from returning letter winners Jenni Bailey, Dawn Davis, Solai Buchanan, Danielle Bemier, Teresa Curtis, and Cheri Myers.

Alpine Skiing — 1990 . . .

The Telstar Alpine Ski

Team finished on a respectable note. Second place was obtained by the girls in the giant slalom through the performance of Robin Michaud, Jen Percival, Meredith Otten, and Pam Bennett. They would have fared better, had it not been for a questionable disqualification on one run.

Coach Remington was especially pleased with the boys results. They achieved fifth in the giant slalom and seventh in the slalom. This pleased the team as they had set an earlier goal of being in the top ten.

Back Row, L to R: Matthew Bean, Rafael Gisin, Tom Morton, Scott Emery, Fred Burke, Coach Robert Remington, Kristen Powell, Crystal Chase, Ryan Bernier.

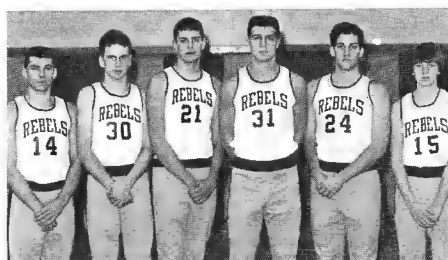

This year's nordic team consisted of seniors: Rafael Gisin, Kristen Powell, and Angie Applin, juniors: Matt O'Meara, Matt Bean, Tom Morton, Amy Hannon, Crystal Chase, and Shilo Hutchins, sophomores: Fred Burke and Steven Remington, freshmen: Misty Hutchins, Angie Mills, and Sheila Douglass. Unfavorable conditions limited our skiing and training time this year. Because of the lack of snow and warm temperatures the team frequently skied at the Sunday River Inn. Despite the unfortunate weather, both boys and girls team showed very well at the MVC Championship. The girls brought home a first place trophy, while the boys took a respectable third place.

Marching On . . . In '91''

Although the number of registered band members is minimal, the band's success is starting to shine through after Wednesday night rehearsals. Planned for the concert and marching bands are a Christmas Collage, a pops concert, the annual spring concert, and various parades such as Maine State, Fryburg Fair, Patriots Day, and Memorial day parades. Several Band members are also participating in outside activities including the Mountain Valley Music Festival, All New England Band, All-State, and co-president Meri Howe has been chosen to tour Europe in the Sounds of America National Honors Band. The current officers are working hard and planning for a great year.
